

# Air Force School Jodhpur

## Annual Report (2023-24)

Welcome to Air Force School Annual Report for the academic year 2023-2024. This report highlights the accomplishments, challenges, and milestones achieved by our school community over the past year. It includes key achievements in academics, extracurricular activities ( sports, arts, clubs), community engagement, infrastructure development.

**Academic Achievements** - Air Force School Jodhpur has all three streams namely Science, Commerce and Humanities. The board result for 10th and 12th class was 100 percent in Session 2022-2023.

- In class 12th Science, Sohit Kulhari stood first securing 97.2% , Kartik stood second securing 94% and Divya stood third with 91.6%.
- In Class 12th Commerce, Himanshi Choudhary stood first securing 93.4%, Jay Harsh stood second securing 86.2% and Divyanshu Mahecha stood third with 80.8%.
- In Class 12th Humanities, Himanshu stood first securing 91.2%, Shaurya stood second with 84.8% and Khushi stood third with 83.4%.
- In Class 10th, Manya Vishnoi stood first securing 94%, Aashi Dahiya stood second with 93.2% and Bhavya Sharma stood third with 92.2%.

**Environment Education** - Next most important value to be inculcated in the future generation is environment education thus let's begin with all the efforts made in the field of environment education.

- On 19th April 2023, a 'Cleanliness Drive' took place. Members of the Eco Club gave a speech, and performed a play on cleanliness drive which enthusiast all the students to keep the environment clean.
- On 20th April 2023, Rally on 'Save Environment' was conducted by the members of Eco Club. This promoted the students to save the environment and preserve our previous mother nature.
- On 21st April 2023, Air Force School Jodhpur celebrated 'Earth day'. Students of the Eco Club filled all the students with great respect towards mother nature in the special assembly by taking the pledge to save the environment. Various activities were conducted for the students like poem writing, essay writing, painting and poster making on Earth Day.
- Swachhata Pakhwara was observed from 1st to 15th September 2023. As part of the campaign various activities were conducted like oath taking ceremony, Hindi essay writing competition, Rally on Swachh Bharat, Quiz on Swachhata Pakhwara and cleanliness drive. This enabled students to take this mission of cleanliness to the community and created mass awareness.

- On 1st July 2023, we celebrated 'Van Mahotsav' in primary classes. Students made collage, five different types of leaves, Hindi poem and paragraph on the theme Van Mahotsav. We spread awareness towards the environment.

**Sports achievement** - Sports competitions inculcate the spirit of positive challenges and sportsmanship among the students. Our students actively participated in different sports competitions and won medals certificates & trophies.

- The SWAC team got third position in the 'All India Athletics And Sports Championship' held at Agra.
- Neeraj of class XI science won Bronze medal in Bharat Open National Taekwondo Championship held on 29<sup>th</sup> May 2023 at Jaipur.
- Neeraj also won Bronze medal in Thailand International Karate Cup held in November.
- Anvita Chahar and Daksh Sachan of class VI participated in 29<sup>th</sup> Sub Junior National Thang-Ta Championship held at Ranchi.
- NCC cadets of our school won best drill trophy Dec 2022 among 30 schools.

**Innovations** - Innovation is becoming a way of learning and teaching for both students and teachers respectively. Innovation in education encourages students and teachers to research, explore, and use all the tools to uncover something new. Creativity is thinking up new things, Innovation is doing new things. Students of Air Force School Jodhpur made an automatic sanitizer dispensing machine and Home automation system where students made a lot of efforts to make its existence possible.

- We have many clubs like the Yuva Club, Heritage Club etc. where students perform many activities like nukar natak, rally etc. according to the club provided.
- Heritage Club - Students showed important temples of India in the special assembly and took a quiz on the same topic the next day. On 25th December 2023 they performed Tulsi puja and celebrated Christmas.
- Social Club - Students gave a dance performance on the theme health and hygiene, they perform a skit on the same. Students carried out a rally on khadi mahotsav.
- Yuva Club is a tourism club where students performed Nukkad Natak in the DPS Manthan, they went to JIET college in the open fair and Air Force Museum. The members of Yuva Club designed a logo. They also performed street theatre on diwali celebration by saying 'No to Crackers'.
- Eco Club - Students carried out rally on Environment Day to save the trees, they promoted cleanliness drive. Members of this club also conducted a special assembly on Panchpran by introducing all the five prans of PM Modi, elocution, slogans etc.
- An activity called the expression series was carried out, where students made numerous paintings, posters, wrote essays and poems under the theme 'Skill Development in India: **'From Local to Global'**.
- On 6th May 2023, our primary students participated in 'Beat the Heat' competition i.e. cooking without fire. Students made mouthwatering dishes

like sandwiches, chat, milk shake, juice, fruit chat, salads etc. They enjoyed the activities and tasted delicious dishes made by them.

- On 15th July 2023, we celebrated Best out of waste where students made paper bags and decorated them with beautiful colours and beads.
- On 2nd August 2023, we had a mime competition for senior students on the theme 'Stay away from Tobacco'. They presented amazing mimes. We also had AD Mad Show on 31st October 2023. Students acted amazingly on advertisements.

**PTA Activities** - Teachers and Parents are the same part of the journey to nurture our students. Air Force School Jodhpur has a Parent Teacher Association, which helps to make the parents understand their children better, support them in academics and get their precious feedback.

- On 1st April 2023, parent orientation was held on revised age criteria of the students from LKG to second by the teachers of Air Force School Jodhpur, where the age limit of students of these classes were discussed.
- Counselling sessions for students and parents of class IX to XII were conducted from 5th to 8th December 2023, where volunteers of extra marks came and enlightened the students about their career choices and how to learn or study effectively. Both parents and students enjoyed the session and understood about the bright future of students.

### **Important SMC Decisions**

- In session 2023-24 ten interactive boards were installed in classrooms. Now nearly all the classrooms are equipped with interactive boards.
- Painting of walls of pre-primary classes was done with rhymes, good habits, English and Hindi alphas and counting numbers.
- Shed was made near main gate for parents with good facility for sitting.
- Traffic park is developed for students to understand traffic rules.
- School fencing work and vehicle parking area was developed in this session.

**Conclusion:** As we reflect on the past year, we are proud of the achievements of our school community and excited about the opportunities that lie ahead. Together, we will continue to strive for excellence and make a positive impact on the lives of our students.
