

Air Force School Jodhpur

Annual Report (2025-26)

Air Force School Annual Report for the academic year 2025-2026 highlights the accomplishments, challenges, and milestones achieved by our school community over the past year. It includes key achievements in academics, extracurricular activities (sports, arts, clubs), community engagement, infrastructure development.

Academic Achievements - Air Force School Jodhpur had all three streams namely Science, Commerce and Humanities in session 2024-25. The board result for 10th and 12th class was 100 percent in Session 2024-2025.

- In class 12th Science, Manya Vishnoi stood first securing 88.4%, Harish Chaudhary stood second securing 80.6% and Hitesh Kumar stood third with 80.2%.
- In Class 12th Commerce, Manjeet stood first securing 82.2%, Kuber Sharma stood second securing 80.8% and Kushal Sharma stood third with 76.8%.
- In Class 12th Humanities, Shubhika Rajpurohit stood first securing 81.06%, Vaidhavi stood second with 80.4% and Swaroop stood third with 69.6%.
- In Class 10th, Ankit Kumar Shahi stood first securing 95.6%, Vanshika Jalwania stood second with 95.2% and Saroop Singh stood third with 89.8%.

Sports achievement - Sports competitions inculcate the spirit of positive challenges and sportsmanship among the students. Our students actively participated in different sports competitions and won medals certificates & trophies.

- The SWAC Air Force School Football Tournament was held between 5th to 8th May 2025 at Pune and Jodhpur team under-15 won gold medal in final match.
- From 8th to 11th July 2025 students participated in the selection matches for Subroto Cup International Football Tournament.
- SWAC Tournament was held from 28th to 31st July at Jodhpur and Air Force School Jodhpur won the championship.
- All India Air Force Schools' Athletics and Sports Championship 2025 was held from 24th to 26th September at Chandigarh and our students won gold and silver medals in events.
- On 2nd November 2025 our students participated in the Shekhon – IAF Marathon 2025 and got medals and certificates on completion of the marathon.
- On 14th December 2025 our students participated in the S K Marathon which helped students for their physical fitness and mental strength.

Environment Education - Next most important value to be inculcated in the future generation is environment education thus let's begin with all the efforts made in the field of environment education.

- On 19th April 2025 Best out of waste activity was conducted for class II to V to promote environmental awareness among students from a very early stage.
- On 28th June a special event Ek Ped Maa Ke Naam was organized for class V students. Students planted small saplings.
- On 17th July a special assembly was organized by class XI students on theme – Save The Dolphin Project. Students presented a wonderful play showing the seriousness of the situation
- On 18th July green Day celebration was conducted for pre-primary students. Students did seed germination activity, guessing the vegetables activity and tracing the trunk activity.

- On 12th August 2025 ATL Tinkering Day was celebrated in school. Students participated in Mega ATL Tinkering Day activity conducted by NITIAYOG and made working vacuum cleaners.
- On 31st October 2025 exhibition of projects made by students was organized along with the PTM. Parents enthusiastically participated in the event and gave their positive feedbacks.
- On 18th November 2025 students of class VI B conducted a podcast with the Principal of KV No 2 as part of their communication skill activity.
- The Skill Development Camp 2026 for Classes VI to VIII was successfully conducted from 17th March to 27th March, from 8:30 am to 11:00 am. The camp aimed to promote "Learning by Doing" through engaging and activity-based sessions. Students actively participated by selecting one technical and one non-technical skill as per their interest. Technical activities included Atal Tinkering Projects and developing board games using Code.org, enhancing creativity and problem-solving skills. Non-technical activities such as Music and Art & Craft helped in nurturing artistic expression and confidence. A fun activity on seed germination was also conducted for all students to promote environmental awareness. The camp witnessed enthusiastic participation and positive response from students. Overall, the initiative was highly successful in developing essential life skills beyond academics.

PTA Activities - Teachers and Parents are the same part of the journey to nurture our students. Air Force School Jodhpur has a Parent Teacher Association, which helps to make the parents understand their children better, support them in academics and get their precious feedback.

- On 14th April 2025 PTA meeting was conducted for seeking suggestions from the parents for the academic session. Parents were informed about the activities planned for the session. They gave valuable feedback of the session 2024-25.
- On 22nd November 2025 PTA meeting was conducted for seeking valuable suggestions from the parents for the enhancement of facilities and better learning atmosphere for students.

Important SMC Decisions

- In session 2025-26 vehicle parking shed was made for convenience of students as well as teachers.
- Wall of Heroes was placed at the entrance to pay tribute to our soldiers and acknowledge their contributions for our nation.
- New teaching aids for special educator and ten water dispensers were purchased for each corridor.
- New musical instruments were purchased for better skill enhancement.

Conclusion: As we reflect on the past year, we are proud of the achievements of our school community and excited about the opportunities that lie ahead. Together, we will continue to strive for excellence and make a positive impact on the lives of our students.
